S. C. R. No. 15.

Senator Berkeley sent up the following resolution:

Concurrent Resolution authorizing and directing the President of the Senate and the Speaker of the House to appoint a joint committee to be composed of two members of the Senate and three members of the House, which committee is authorized and directed to confer with a like committee to be appointed by the Legislature of the State of New Mexico with a view to settling and adjusting property rights of persons affected by the decree of Supreme Court of date April 9, 1928, in the case of the State of New Mexico against the State of Texas, and to make such recommendations to the Legislature as they may deem wise and proper for the solution of this matter, and to provide for the payment of the expenses of said committee.

Whereas, On December 18th, 1850, the southwestern boundary of the State of Texas, between the parallel of 32 degrees N. Lat. on the north and the mouth of the Rio Grande on the southeast followed the center of the Rio Grande, and

Whereas, On August 4th, 1854, the center of the Rio Grande was made the eastern boundary of the territory of New Mexico from the parallel of 31 degrees 47 minutes N. Lat., to the parallel of 32 degrees N. Lat., and such boundary was also the western boundary of the State of Texas, between said parallels of latitude, and

Whereas, The boundary between the territory of New Mexico and the State of Texas as thus established was a river boundary subject to the ordinary principles of accretion and avulsion as applied to river boundaries generally, and

Whereas, The application to such boundary of the ordinary principles of accretion and avulsion was at all times recognized by the United States and the State of Texas, in surveying and patenting lands, but whereas thereafter, because of the descrip-

tion of this boundary contained in the Constitution adopted by the State of New Mexico in 1911, and because of the allegations contained in the Answer and Cross bill filed by the State of Texas on the 21st of April, 1913, in the case of the State of New Mexico against the State of Texas, pending in the Supreme Court of the United States, the Supreme Court rendered a judgment decreeing that the boundary between the State of Texas and the State of New Mexico between the parallel of 31 degrees 47 minutes, N. Lat., and the parallel of 32 degrees north Lat. is now in the position which was occupied by the center of the Rio Grande as it ran on the 9th of September, 1850, and

Whereas, By such decision lands theretofore lying in the State of Texas and theretofore granted by the State of New Mexico, and by such decision lands theretofore lying in the territory of New Mexico and theretofore granted by the United States to private owners, were placed within the State of Texas, therefore, be it

Resolved, by the Senate and House of Representatives of the Forty-first Legislature of the State of Texas, That the President of the Senate and the Speaker of the House be authorized to appoint a committee of two members of the Senate and three members of the House as a joint committee to confer with the Governor of New Mexico or with a like committee to be appointed by the Legislature of the State of New Mexico which said committees are hereby authorized and directed at as early date as practicable to investigate the matter hereinabout involved, and if necessary to view the land for the purpose of trying to adjust the matter and make such recommendations back to the Legislature of the State of Texas with reference to a final disposition of the matter as said committee may deem in their judgment wise and proper for the best interests in the premises. Be it further

Resolved, That all necessary expenses incurred by the committee in the furtherance of the duties assigned to the committee shall be paid out of the contingent legislative fund of the State of Texas on claims prop-

erly approved by the presiding officers of the respective Houses.

Whereas, The Presbyterian Church

of the State of Texas has determined to discontinue the conduct of its school at the town of Milford in Ellis County, Texas, and

Whereas, The said Presbyterian Church has some half million dollars worth of property invested in land and buildings situated at Milford in Ellis County, Texas, and

Whereas, The said Presbyterian Church is now tendering the said property to the State of Texas for the purpose of establishing a Teacher's Training School at Milford in Ellis County, Texas, and

Whereas, There are more than a million people living within a radius of fifty miles of Milford in Ellis County, Texas, and

Whereas, The said town of Milford and the said property of the said Presbyterian Church so tendered to the State of Texas is situated near the corner of three of the heaviest taxpaying counties in the State, and

Whereas, There is not situated another school for the training of teachers in the State nearer than one hundred and sixty-five miles of Milford, and

Whereas, The entire portion of central Texas is without a teachers' training college, and

Whereas, The citizenship of the Twelfth Senatorial District through their Senator and Representative respectfully invites an investigating committee from the House and the Senate to visit and inspect the lands and buildings of the said Milford College, agreeing to pay all expenses of the said investigating committee, therefore, be it

Senator Woodward sent up the following resolution:

Whereas, On the 4th day of February, 1929 the Senate passed Senate Concurrent Resolution No. 19, directing the President of the Senate and the Speaker of the House of Representatives to appoint a joint committee to be composed of five members of the Senate and seven members of the House authorized and directed to confer with a like committee of the State of Oklahoma to inspect a certain strip of land, which would probably be awarded to the State of Texas under a decree of the Supreme Court of the United States in the case styled Ok-

lahoma v. Texas involving the boundary line between the two states along the line of the 100th Meridian and to report back to the Legislature of Texas such recommendations as to adjusting the rights and equities of parties who occupy the land involved together with such recommendations with reference to the final disposition of the controversy as to such boundary line, and rights of said parties occupying said land as, in their judgment, was wise and proper; and

Whereas, Acting under said concurrent resolution said committee inspected said land but has not made any report to the Legislature of Texas with reference to the final disposition of the matters involved arising out of the location of said 100th meridian boundary line; and

Whereas, The State of Oklahoma has expressed a desire to enter into a compact with the State of Texas as to the location of said 100th Meridian boundary line and as to the rights and equities of parties occupying the disputed territory, and with reference to the adjustment of any and all controversies which have arisen and which are likely to arise by reason of the pendency of the disputes and controversies through years past of the proper location of the 100th Meridian boundary line between the States; and

Whereas, the situation as to said controversies, equities and other things in dispute and likely to arise in reference to the same is such that it is desirable that an effort be made upon the part of the two states to adjust all of said controversies by some sort of a compact covering all of them; and

Whereas, The proper authorities of the State of Oklahoma have indicated that they are ready and willing to make to the State of Texas a definite proposition of adjustment by compact of all of such controversies; therefore, be it

Resolved, By the Senate and the House of Representatives of the Forty-first Legislature of the State of Texas:

That said committee heretofore appointed confer with the proper committee or authorities of the State of Oklahoma at the earliest practicable date and receive from them a definite proposition of settlement through compact of all of the controversies and disputes which have

arisen, or which are likely to arise, by reason of said 100th Meridian boundary line location and report in definite and concrete form to the Legislature of Texas said proposition of the State of Oklahoma for such action by the Legislature of Texas as may, in their judgment, be wise and proper, said report to be made to the next session of the Legislature of Texas, whether regular or special, for action by such session.

Be it further resolved that the Attorney General of Texas be requested to attend all sessions of said committees and render such assistance and advice as said committees may desire in the premises, and that all necessary expenses incurred by said committee and said Attorney General in carrying out the provisions of this resolution be paid out of the contingent fund of the Legislature of the State of Texas on claims properly approved by the presiding officer of the respective houses.

Department of State
State of Texas

Austin, Texas, June 21, 1929.

Hon. Barry Miller,
Capitol Station,
Austin, Texas.

Dear Sir: Kindly announce to the Senate that members may now exchange their paper bound copies of the session laws of the Forty-first Legislature for buckram bound copies as the latter have been received from the printer.

Very truly yours,
JANE Y McCALLUM,
Secretary of State.

West Texas Chamber of Commerce
General Offices

Stamford, Texas, June 21, 1929.

Honorable Barry Miller,
President of the Senate,
Austin, Texas.

Honorable W. S. Barron,
Speaker of the House,
Austin, Texas.

Gentlemen: At a meeting of the

Executive Board of the West Texas Chamber of Commerce in Abilene, Thursday, June 20, 1929, there being approximately seventy-five members present, among other business transacted two motions were passed as follows:

First, that the Executive Board of the West Texas Chamber of Commerce believes that the oil industry is sufficiently taxed without increasing the gross production tax. It therefore opposes such an increase upon the oil industry in Texas as being ill advised and very hurtful to this industry.

Second, the Executive Board of the West Texas Chamber of Commerce believes that an income tax is wrong in principle, that it seeks to levy a tribute upon industry and thrift and is therefore unsound in principle and economy. It therefore records itself as opposing an income tax in Texas, and respectfully urges the membership of the Senate and House against such a measure.

As Manager of the organization, I was instructed to transmit the action of our Executive Board to your honorable bodies.

I sincerely trust that these expressions will compel your earnest and careful consideration.

Respectfully submitted,

HOMER D. WADE,

Manager, West Texas Chamber of Commerce.

A BILL

To Be Entitled

An Act authorizing the Board of Directors of The Texas College of Arts and Industries to make contracts for the erection of dormitories, to purchase or lease lands and other appurtenances for dormitories, to make contracts for the

collection and disposition of the revenue derived from dormitories; and declaring an emergency. Be it enacted by the Legislature of the State of Texas:

Section 1. The Board of Directors of The Texas College of Arts and Industries is hereby authorized to enter into contracts with persons, firms, or corporations for the erection of dormitories at The Texas College of Arts and Industries, and to purchase or lease lands and other appurtenances for the construction of such dormitories, provided that the State of Texas incurs no liability for the buildings or the sites.

Sec. 2. The said Board of Directors is hereby authorized to make contracts with reference to the collection and disposition of the revenue derived therefrom in the acquisition, management, and maintenance of said buildings.

Sec. 3. The Board of Directors is hereby authorized and empowered to adopt such rules and regulations requiring any class or classes of students to reside in such dormitories, or other buildings, as they may deem advisable. Absolute management and control of dormitories constructed under the provisions of this Act are vested in said Board of Directors.

Sec. 4. The fact that The Texas College of Arts and Industries is in dire need of dormitories at the present time creates an emergency and an imperative public necessity requiring the suspension of the Constitutional Rule for the reading of bills on three several days in each House, and said Rule is hereby suspended, and this Act is to take effect from and after its passage, and it is so enacted.

S. B. No. 179.

A BILL

To Be Entitled

An Act relating to courses of instruction in the Constitutions of the United States and Texas in schools, colleges and universities, supported by public funds; repealing Chapter 234, Acts of the Regular Session of the 41st Legislature; and declaring an emergency.

Be it enacted by the Legislature of the State of Texas:

Section 1. In all high schools within this State supported by public funds there shall be given a course of instruction in the Constitutions of the United States and of Texas, which shall be a combined course in both Constitutions, and which shall be given for at least one-half hour each week of the school year or at least one hour each week for one-half of the school year, or the equivalent thereof. No student shall be graduated from any high school mentioned herein who has not passed a satisfactory examination in such high school course of instruction.

Sec. 2. There shall be given in all colleges and universities supported by public funds a course of instruction in the Constitutions of the United States and of Texas, which course shall be a combined course in both Constitutions, and which shall occupy not less than eighteen recitations of fifty minutes or more. No student shall be graduated from any college or university who has not passed a satisfactory examination in such college or university course given in the college or university from which he is graduating or in some other college or university which he may have attended previously.

Sec. 3. The State Superintendent of Instruction shall prescribe the standard of the course to be taught in high schools, and if the Superintendent of Public Instruction shall have prescribed a standard of instruction that requires a textbook, then the Board or body that selects textbooks for high schools shall se-

lect and prescribe the proper textbooks for the course of instruction.

Sec. 4. No person hereafter shall be certified to teach in the public schools of the State of Texas until he has secured credit for the course in both Federal and State Constitution of the grade of instruction upon which he is applying for the certificate, that is either of the subcollege or of the college work; or in lieu thereof shall have passed an examination set by the State Superintendent of Public Instruction on the Constitutions of the United States and of Texas.

Sec. 5. The teaching of courses of instruction in the Constitutions provided for in this act shall begin with the terms of school beginning on or after September 1, 1930, and the provisions of this act with reference to graduation from any school, college or university, or with reference to certification to teach school, shall not apply to any student graduated before September 1, 1930, or receiving a certificate to teach school before that date.

Sec. 6. Chapter 234, Acts of the Regular Session of the 41st Legislature is hereby repealed.

Sec. 7. The fact that Chapter 234 of the Acts of the Regular Session of the Forty-first Legislature is vague as to its requirements, and the further fact that there is not sufficient time to prepare for the teaching of the Constitutions in the public schools, colleges and universities of this State during this year, create an emergency and in imperative public necessity that the constitutional rule requiring bills to be read on three several days in each House be suspended, and said rule is hereby suspended, and that this Act shall take effect and be in force from and after its passage, and it is so enacted.

Sec. 12. All laws in conflict herewith, or any of the provisions hereof are hereby repealed.

Sec. 13. The fact that the terms of the District Courts of the State of Texas, as now fixed by law, tend to retard the transaction of business therein and delay the trial of causes pending therein, and the dockets of said courts are congested, creates an emergency and imperative public necessity demanding that the constitutional rule requiring that all bills be read on three separate days be suspended, and it is so suspended, and this act shall take effect and be in force from and after its passage, and it is so enacted.
